Grade Report

Design Grading:

Correctness: 4/10
OOP vs Functional   0/5
Data Design: 5/5

Function Specification: 5/5

Implementation: 5/5

Style: 4/5
: shape-equal test may give wrong results. Did not write test properly
(Note: Points
 have not been deducted for this)
: exceeded 80 character length at lot of places

Deductions:

Design Total: 23/35

Notes:

Codewalk Grading:

Partner1:

Q&A: 7/10
Presentation: 4/5

Deductions:
Notes:
: Did not know when to use functional and when to use structural
approach
: When asked about advantages, ended up saying a non-precise answer
: When asked about the OO concepts used so far, had to be prompted a
lot
 to get to an answer

Partner 1 Codewalk Total 11/15

Partner2:

Q&A: 7/10
Presentation: 4/5

Deductions:
Notes:
: Did not know when to use functional and when to use structural
approach
: When asked about the OO concepts used so far, had to be prompted a
lot
 to get to an answer
: Could not easily point out generative recursion, had to be guided.

Partner 2 Codewalk Total: 11/15

Overall Score for Partner 1: 34/50
Overall Score for Partner 2: 34/50
